

The Stables

AN EXCITING DEVELOPMENT OF NEW HOMES
ON THE OUTSKIRTS OF NORTH KILWORTH, LEICESTERSHIRE

ATTRACTIVE AND HISTORIC

Tucked away in the tranquil South Leicestershire countryside

THE PRETTY VILLAGE of North Kilworth sits amid the rolling fields of south Leicestershire, close to the source of the Warwickshire Avon. It is a village full of character, interest and history going back to the Domesday Book. North Kilworth Bogs nature reserve is a small but unusual wetland site at the heart of the village. The nearby Grand Union Canal is great for walks along the towpath.

Kilworth Springs Golf Club, almost opposite The Stables, is a highly regarded course and welcomes diners as well as golfers; The White Lion on Lutterworth Road has a good reputation for food, live music and its friendly atmosphere. The semi-open air theatre at Kilworth House, just a mile from The Stables, is a spectacular venue for an evening out, while the historic regional centre of Market Harborough boasts good shopping, with many independents alongside the major brands, a local theatre and plenty of places to eat, including The Waterfront, situated on the canal basin,

St Andrew's CE Primary School (OFSTED Good) is a lively, well-regarded school very near to The Stables. The development is in the catchment of Welland Park Academy and Robert Smyth Academy, both in Market Harborough, and both also rated as Good by OFSTED.

The village is very well placed for the motorway network, with easy north-south and east-west routes, and good train services to St Pancras from Market Harborough in just under an hour and Rugby to Birmingham in 35 minutes.

The Stables is surrounded by beautiful, rolling countryside.

Kilworth House Theatre, in the grounds of the Hotel, is a well-known local venue.

WHO WE ARE

Working in partnership with you in mind

Bowbridge Homes and **Snowdon Homes** only create properties of which we can be proud. We build homes the way we think they should be built and that people aspire to live in. You can rest assured that each of our homes has been thoughtfully designed with a keen eye on the details that improve everyday life.

Working together at The Stables, we are able to offer the innovative and creative development for which **Bowbridge Homes** are renowned, together with the excellent build quality which is synonymous with **Snowdon Homes**.

We are proud of not being national housebuilders, as this allows us to look at schemes individually and do the right thing for each development site and the community within which it sits.

CUSTOMER CARE is at the very heart of your purchase with us. We know that buying a new home can be stressful, which is why our dedicated sales team will be with you throughout the journey. This doesn't end when we give you the keys to your beautiful new home: we provide a comprehensive handover and introduction to your new home and an ongoing Customer Care service that ensures peace of mind once you have settled in.

Each of our homes comes with a 10 year NHBC New Homes Warranty and we also subscribe to the Consumer Code for Homebuilders. You can therefore rest assured that every home has been built to the highest standards. For more information please visit www.consumercode.co.uk

Our aim is to ensure that you will be absolutely delighted with your new home - right from the moment you receive the keys.

THE MINTRIDGE FOUNDATION

A sporting chance for young people

BMX World Champion Kelvin Batey delivers a school programme at St Andrew's Primary School, North Kilworth sponsored by Bowbridge Homes.

At **Bowbridge Homes** we aim to make a positive contribution to the communities that we work in – and this is not just limited to creating amazing new homes!

We are proud to be working with **The Mintridge Foundation** as our charitable partners and have committed to sponsoring a mentoring programme in every community that we are active in. Having seen first hand the positive impact that each of these programmes creates, we hope to put something back into the community and inspire a future generation to pursue their goals.

The Mintridge Foundation is a registered charity, based in the East Midlands, dedicated to enhancing life skills in young people through sport. The foundation provides a support network for young people by harnessing the power of positive sporting role models. Their team of Ambassadors – Olympians, Paralympians and other professional sports stars from over 20 sports, both team and individual – work with young people in schools, clubs and academies across the UK.

They assist young people of all ages, abilities and physical capabilities to develop confidence and resilience, and create awareness of the importance of mental and physical wellbeing through sport.

The Mintridge Foundation's successes demonstrate the incredible power of sport: from a mentee's selection, to representing Great Britain in their chosen field, to enabling disabled children to find confidence and happiness just through participation.
