RURAL AND IDYLIC

In the heart of North Leicestershire's countryside, just a stone's throw from Leicester

NESTLED NEXT TO the meandering River Wreake from which it takes its name, Frisby-on-the-Wreake's lanes and alleyways are its rich history: several different architectural styles, from half-timbered, chocolate-box cottages to imposing Georgian houses all blend together to give the village its quaint charm.

Frisby offers everything you could want from a village community. Its pretty streets provide a range of amenities to cover everyday needs, with a small shop and post office, a C of E primary school (OFSTED rated Good) and a wide range of clubs and societies ranging from the well-established cricket club to the Frisby Wine Appreciation Society. Ragdale Hall Spa and Hotel offers the chance to unwind in delightful surroundings – just a short drive from Frisby.

Nearby Frisby Lakes is a beautiful location for anglers. The rural roads and lanes around the village are picturesque cycling country and a network of footpaths to explore connects Frisby to neighbouring villages.

Four miles from Frisby-on-the-Wreake is the market town of Melton Mowbray. Globally famed for its pork pies, Melton Mowbray has much to offer besides. As well as a wide variety of eating places, Melton Mowbray has a good range of shops – including many local independent stores, a vibrant market and a number of family-friendly activities, including Twinlakes Park, with exhilarating rides, animals and picnic areas.

Melton Mowbray also has a number of well-regarded schools, including Long Field Academy (secondary and sixth form) and John Ferneley College, a secondary academy.

Despite its rural location, Frisby-on-the-Wreake is well situated for commuters, with easy access to major towns and transport links. Melton Mowbray is around 10 minutes' drive, with Leicester and the M1 only 30 minutes away and Nottingham 35 minutes' drive. Trains from Melton Mowbray serve Peterborough in 40 minutes and London in under two hours.

THE MINTRIDGE FOUNDATION

A sporting chance for young people

The girls from Manor School clearly enjoyed their inspiring time with Pamela Cooley!

At **Bowbridge Homes** we aim to make a positive contribution to the communities that we work in – and this is not just limited to creating amazing new homes!

We are proud to work with **The Mintridge Foundation**, a registered charity based in the East Midlands which is dedicated to enhancing life skills in young people through sport. We have committed to sponsoring a mentoring programme in every community that we are active in.

The Mintridge Foundation provides a support network for young people by harnessing the power of positive sporting role models. Their team of Ambassadors – Olympians, Paralympians and other professional sports stars from over 20 sports, both team and individual – work with young people in schools, clubs and academies across the UK.

They assist young people of all ages, abilities and physical capabilities to develop confidence and resilience, and create awareness of the importance of mental and physical wellbeing through sport.

England Netball Captain Pamela Cooley recently visited Manor School in Raunds on a programme sponsored by Bowbridge Homes, which focused both on netball skills and the skills she has drawn upon during her successful career, such as resilience and determination. As part of the programme, Pamela completed six months of remote mentoring for two specially selected Manor School pupils.

The Mintridge Foundation's successes demonstrate the incredible power of sport: from a mentee's selection, to representing Great Britain in their chosen field, to enabling disabled children to find confidence and happiness just through participation.
